

Join us for 2022 League Play!

How it Works: Each participant plays a qualifying round of 4 scheduled singles matches in May and June. Players with the best records advance to a bracket elimination round with a winner crowned in September.

Flexible Scheduling: Play matches on your own schedule. Players will contact their designated opponent to play their match at a mutually convenient time so long as their match is completed by the scheduled match deadline. Player contact information can be found on the member Info page on the club website's member portal. Where possible, players who fail to play their match within the designated timeframe will be assigned a replacement match against a like opponent. Missed matches remaining after the replacement period will result in a default for those players.

Optional Pick a Partner: If you cannot commit to playing a full match schedule, you can team with another club member as exclusive "Singles Partners" to play one or more scheduled matches in each other's behalf. Single Partner selections must be made prior to the start of the season and cannot be changed once the season has begun. Singles Partner cannot play for multiple teams.

Rink Availability: We will reserve 2 rinks for league play for weekday afternoon and evening play as well as prior to weekend club games. Players who play league matches on the weekends are encouraged to remain and participate in the club games that follow. Except for Monday's open house and pre-scheduled club event hours, players may play their league matches at any time on any available rink.

Standings: Standings are published periodically throughout the season ranking each player by accumulated points.

Award: At season's end, qualifying players will compete in an elimination playoff with the winner crowned the "League Champion". The Champion will have their name memorialized on a perpetual trophy maintained by the Club and displayed at the Clubhouse. There shall be no prize money awarded.

Entry Fee: \$20 per Player; No extra charge for Singles Partners.

Visit Club Website (www.nybowls.com) for Entry Form.

Entry Deadline: Saturday April 30.
